Get more bang for your buck with a \$100–\$150 mail-in rebate from SMECO.

When you purchase a select ENERGY STAR certified refrigerator, you'll enjoy more than just energy savings and outstanding performance—you can get \$100–\$150 back from SMECO.

Visit SMECO.coop/appliances to find qualifying appliances and learn more.

Energy savings by design.

The refrigerator is the single largest energy-consuming kitchen appliance in most U.S. households.* But an ENERGY STAR certified refrigerator can save \$80 in energy costs over its lifetime compared to a new standard model. Better insulation, more precise temperature and defrost mechanisms, and high-efficiency compressors combine to help make ENERGY STAR models the most energy efficient.

Terms and Conditions:

- Offer open to all SMECO residential members, regardless of electric energy supplier.
- Refrigerator must be at least 10 cubic feet in size.
- Limit one certified refrigerator rebate per SMECO residential account on appliances purchased on or after January 1, 2018 and prior to December 31, 2020, and while funds are available.
- Requests must be postmarked no later than 30 days from date of purchase.
- Rebate application must be accompanied by proof of purchase, including a copy of the dated sales receipt with model number.
- If you are purchasing an appliance for a SMECO account in your tenant's or landlord's name, visit SMECO.coop/landlord for an additional form required along with this rebate application.
- \$100–\$150 rebate for select ENERGY STAR certified refrigerators.
- Not all ENERGY STAR certified models qualify for a rebate. Ineligible models will not receive a rebate. Please see SMECO.coop/appliances for more details.
- If your refrigerator does not meet the criteria for the super-efficient rebate but meets the criteria for the lower rebate, the lower amount will be given.
- The refrigerator must be a new appliance and it must have been purchased in Maryland, or the buyer must have paid the applicable Maryland sales and use tax.
- The rebate paid will not exceed the purchase price of the appliance.
- Installations must comply with all federal, state, and local code requirements.
- Details such as rebate amounts and eligible appliances are subject to change at any time.

Fill out completely. All information is required. Incomplete forms will delay or disqualify your rebate.
