December's heavy snowfall marked the beginning of the coldest winter snap we have faced in over 20 years. The winter chill will affect your bills. SMECO reminds you to save energy to save money.

Know what to expect in your utility bill

Tired of staring at your unopened SMECO bill, wondering what the impact of the recent arctic chill or summer heat wave has done to your usage? Sign up for the Even Monthly Payment Plan (EMPP) and have a consistent utility bill each month.
